

November 2025

November at the Library!

The weather may be getting chilly, but we're getting cozy here at the library!

This month's movie matinee is dedicated to Diane Keaton; may she rest in peace. Come see some of her iconic movies and remember all the lives she touched with the roles she played.

In addition to our usual weekly movie showings, we also have a special film event for teens! Check out page 7 for more details.

If you're looking for an excuse to go out for a nice meal, look no further than this month's dine and donate at the Bonefish Grill! Go to page 8 for more information.

Finally, make sure you check out our calendars for all of the events and programming we have to offer for the month! Please note there are a couple of closures/adjustments to our hours.

Thanks for reading; we love our patrons and our community!

TELL CONGRESS:

PROTECT LIBRARY FUNDING

Federal funding supports essential services at NORTH WALES AREA LIBRARY, including:

- Access PA/POWER Library (partial federal funding, also includes Library Access funds)
- Federal Funds for basic library functions including: internet, books, and programming.
- End of digital resource availability through apps like Libby

Those services are in jeopardy if federal funding is eliminated. Contact your Senators and Representative and urge them to save federal funding for libraries.

WINTER SOWING

Join us for an engaging presentation on the easy and budget-friendly method of winter sowing at the Swedesford Garden Club's November meeting. This creative technique allows you to sow seeds during the winter, leading to impressive outcomes in the Spring.

Guests may join us at the
North Wales Area
Library on November 10
at 6:15pm.
